Company Overview

Global Exhibit Solutions, operating under the brand Vivid, is a leading provider of comprehensive exhibition and trade show solutions. We specialize in designing, fabricating, and managing exhibition stands and events globally. With a focus on innovation, creativity, and efficiency, we provide tailored services that ensure your brand stands out at any event.

Headquartered in the United Kingdom, Cannock with offices and manufacturing in Europe, US, Canada and Far East we are ideally placed to deliver.

Cost-effective solutions

Local knowledge

Full show support

Flexibility for those last-minute requirements.

With large stocks of modular and custom elements in each location, we can help you maintain a constant brand message that follows your guidelines and keep your costs down.

Global Presence

- **Offices and manufacturing facilities across Europe, the US, Canada, Dubai, and Asia**
- **Extensive network for global exhibition support**

Core Services

- **Exhibition Stand Design:** Creative, bespoke design tailored to client requirements, enhancing brand visibility
- **UK-Based Manufacturing:** High-quality stand manufacturing in our UK facility, ensuring durability, precision, and attention to detail
- **Project Management:** Full-service project management from concept to completion, ensuring smooth execution
- **Logistics & Installation:** Worldwide logistics and expert installation teams for timely and professional setups at any event
- **Support Services:** Including lighting, furniture, AV, and digital elements to complete the exhibition experience

Our Strengths

- **Quality Manufacturing in the UK:** All stands are designed and manufactured in our state-of-the-art UK facility, ensuring precision, high quality, and timely delivery
- **International Expertise:** With our global presence, we understand the unique needs of international clients and can deliver solutions that meet the demands of various markets
- **End-to-End Service:** From initial design consultation to post-event support, we manage all aspects of the exhibition experience, giving clients peace of mind
- **Tailored Solutions:** Every project is unique, and we create customized solutions that align with each client's goals, whether for a large trade show or an intimate corporate event
- **Sustainability:** We are committed to environmentally responsible practices, using sustainable materials and offering storage options to reduce waste and promote reuse

Why Choose Us?

- **Exquisite Craftsmanship:** We pride ourselves on manufacturing high-quality, durable exhibition stands that deliver lasting impressions
- **Global Reach with Local Expertise:** Manufacturing in the UK, yet capable of delivering services to clients worldwide with exceptional attention to detail
- **Seamless Execution:** Our experienced project management and installation teams ensure a hassle-free experience from start to finish
- **Creative Innovation:** We combine the latest technology and design trends to create visually striking and engaging exhibition stands
